How Healing Happens
and how to let it happen more

Hildegard's own representation of her experience when receiving Spiritual guidance.

Listen

Dear Friends,

A quick and short insight and song for the energies of today and into the coming Solar Eclipse.

I feel like I have stepped under a cosmic waterfall of energetic compassion as tonight's Super Full Moon Eclipse is progressing. I am pausing to bathe in it. I am grateful for this time of remembering what I want to cherish and grow in the garden of my life.

This energy reminds me of a song by St. Hildegard, *O Eternal God*. For me, it is about stepping away from judging and finding a deep restful space that overflows with compassion. I offer a free link if you would like to LISTEN NOW. Read more about the song and it's words [HERE](#)

This song is from my album **Unfurling Love's Creation: in Praise of Sophia (Wisdom)**. It is available however you get your music, or at my website.

Stepping beyond the polarity of 'right and wrong' is often done through the sensation of Gratitude. As you see polarized extremes externally, those that are internal and personal to you are revealed to you. We each have the opportunity to express gratitude. And in return we receive the grace of healing those aspects of polarity, which we experience as judgments, that we carry within ourselves.

My guides remind me that when we judge ourselves or another, we are in polarity. Only when we can witness something and experience grace and compassion are we free from judgment, and therefore existing outside of polarity.

May the blessings of All That Is fall gracefully upon your Life.

New Goals for New Paths

- How we Create Reality is Changing

- What fit for us even a few weeks ago may not fit today

Apple Music Listen to mp3 Transcript & more information

It isn't just politics or climate change...the Earth herself is changing vibration. The sun changed decades ago, and everything in our little area of space that lives within our 'Free Will Zone' is going to change. The question is, can we flow with the change or will humanity dig its heels in and have its collective consciousness dragged into the new vibration?

Safe Space

A song to help you remember

Listen or Watch Video

Chaos is merely the presence of noise within an otherwise quiet and tranquil landscape.

You can hear the noise, and know that it only exists as splatters of paint upon the larger canvas of Life.

Feeling safe comes from a restful Heart

SAVE THE DATE! Please join me for a Healing Meditation Concert of Sacred Songs and Healing Chants which will take place on the Full Moon, Sunday December 15 at 4pm ET / 1pm PT. It is going to be in-person at the Interfaith Center for Spiritual Growth in Ann Arbor and streamed online via zoom and the Healing Chants Facebook Page.

Private Healing Sessions (offered by phone or Skype)

Sessions include both information from your guides and angels, as well as healing energies to facilitate changes your Soul desires in your body and your life. This multi-faceted approach is notably deep and most people find that one or two sessions provides them with substantial, lasting and profound change. The kind of change that is so complete that there is little or no going back to the other ways of being.

In these healing sessions the spiritual foundation of who you are (the portion of your soul incarnating right now) engages with your body in a new way. This allows what does not reflect your Soul and body to be revealed, understood, and released. Simply put, the real world version of you catches up with the spiritual foundation of who you truly are. After the healing session your Soul, body and life will reflect each other more accurately.

How Your Healing is Supported
I do not intend or focus healing so that your body looks perfect, or that your aura looks like it does in a book. My guides consult and follow your guides, asking at each organ, each chakra, each issue in your life; what is it that your body and Soul choose? What is your next step? And in this process, allowing whatever no longer serves your Soul's journey to be released.

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are last about an hour. Please be in touch with me to secure an appointment time. office@healingchants.com or 734-330-3997. [Read more about private healing sessions here](#)

Great to release trepidation, fear around changes in the world and your own life.

Apple Music Listen to mp3 Transcript & more information

Feeling stuck, or heavy or unable to follow through with your plans? You may be tied to parts of a past reality. Here is a meditation to help you step into the new reality that our world, and your Soul is choosing for you now.

New beliefs, habits, and behaviors that we started in this last year or even within the last few months may not serve us anymore. The way we were creating reality, as well as the path and the goals of that reality, have changed. New options are available and for most of us, our Souls have decided that we want to investigate and pursue those new options.

Even the guides and angels that were helping us achieve those old goals can now release, allowing our intuition to open more fully to the guides and angels that reflect our new reality and are meant to help us right now.

Includes two new songs for deepening your Soul's connection to your body.

GASLIGHTING
How it works
How to identify it
How to intuitively 'see' beyond it

GASLIGHTING as PSYCHIC MANIPULATION

We each have the ability to see psychically what others want us to see, and then we have the ability to *remove* whatever it is that they want us to see, and see with our own intuition. This lets us see our own truth about what our Soul wants us to see, know and do in life.

When we are not able to remove the psychic images, emotions and beliefs that another wants us to see, our own intuition is blocked by their energetic will. (gaslighting)

Your Psychic Intuitive Compass has 3 Locations in Your Body. Let's Clear Them!

Insights from Archangel Michael and Mary
- Why (sometimes) we can't heal ourselves
- Are you micro-managing healing energies?
- Our Soul may create pain to direct our choices
- We can release energies from infancy that block us from feeling safe as adults

This meditation will Relax your Body, bring Ease to Personal Expression, and Clear your Thoughts.

Entering Peace

Identifying and Releasing Old Emotions and Beliefs Held in Your Low Body. Hint: most of what you experience isn't yours.

Apple Music Listen to mp3 Transcript & more information

A song and message from Mary, drawn through me during this live healing meditation.

- Insights from Archangel Michael and Mary

Our lower chakras are just as energetically and psychically sensitive as our Third Eye (6th chakra) and Heart Chakra. Emotional energies held in our low body are often from infancy or early childhood, and take extra care and patience to understand, transmute and release.

Four Healing Songs from Spirit
Norma's Hathor guide Atamira lays her energies into these songs, improvised in the moment to reflect the energetic context and healing possibilities of those listening.

A TINY BIO

I have always seen auras. As a psychic I 'see' how people connect to their guides, angels, and other people. My healings assist in clearing accumulated cobwebs and awakening the innate creativity and healing potential within each person. I use my intuition, insights from your guides and angels, healing energies and music in this process. I believe that our world is healed as each person heals themselves.

Rebirthing Yourself from Spirit after trauma

a song and insights to find the stillness within you

The song in this video, *O Rubor Sanguinis*, is a medieval healing chant by St Hildegard of Bingen (1098-1179). I sing it in its original language which is Latin. You can find it on my albums *Unfurling Love's Creation* and *Songs of Spirit*
