Dear Friends,

An hour of insights and healing energy from sound shaman Norma Gentile and her guides. I expect Archangel Michael to lead, with comments and messages from Mary (compassion as a response to trauma) and perhaps a song or two from the Hathor Atamira.

My sense is that the intensity of choice the US faces is not unique to just the US. Around the world people are falling into an ancient pattern of wanting a toxic, false narrative of power and strength to protect them from their own actions. So many aspects of our lives are built upon this narrative. As a woman I am very aware of living in a public space that is defined by, and empowers, toxic profane false masculine behaviors.

Will the US (and other countries) dive deeper into this pattern in order to explore and heal it? Or will we choose to explore how to build a Sacred Masculine? No matter how it goes, how can we each stand in our own Truth and take the steps that our heart, wisdom and body's intuition is guiding us to take?

Join me for about an hour, as your guides and my guides combine together to provide an energetic foundation for all to share.

This will be recorded and posted on Facebook afterwards as a video and as an audio podcast.

If you have the means to help support me in offering this meditation, donations can be sent to office@healingchants.com OR <http://PayPal.me/HealingChants>.

**Being, then Doing**  
(a healing song for Balance)  
an improvised sound healing, drawn through Norma from Spirit. Accompanied by a Tibetan Singing Bowl.

This song contains very low undertones and harmonic overtones. These are best experienced with headphones or earbuds.

As you listen to this simple song be aware of your breath. For many of us, breathing is an entry point into meditation.

You are hearing a large Tibetan bowl being rung, and I am using my voice to create different intervals around its steady note. In the background a kitchen clock is marking the passage of time. This gentle rhythmic pulsation underscores the aspect of 'doing' in life. The long sustained notes create doorways through which you may step. Each note that I sing creates a different interval with the steadfast note that the bowl emits. Each of these intervals is a doorway into a different quality of your 'being'. At some point you may feel as if you enter inside of the notes. As you do so, time is suspended. This is both a natural occurrence and a psychic phenomenon.

As I sing, I allow myself to move inside of the note I am singing. When I do this I know that the quality of consciousness I am experiencing is traveling on the sound waves to whomever is listening. With each note I rest more and more deeply into Spirit. As you listen, this invitation to rest into your guides, angels, Higher Self and Spirit is offered to you.

Doing is what happens after we have spent time Being. It is not the reverse!

**Private Healing Sessions**  
(offered by phone or Skype)

Sessions include both information from your guides and angels, as well as healing energies to facilitate changes your Soul desires in your body and your life. This multi-faceted approach is notably deep and most people find that one or two sessions provides them with substantial, lasting and profound change. The kind of change that is so complete that there is little or no going back to the other ways of being.

In these healing sessions the spiritual foundation of who you are (the portion of your soul incarnating right now) engages with your body in a new way. This allows what does not reflect your Soul and body to be revealed, understood, and released. Simply put, the real world version of you catches up with the spiritual foundation of who you truly are. After the healing session your Soul, body and life will reflect each other more accurately.

**How Your Healing is Supported**  
I do not intend or focus healing so that your body looks perfect, or that your aura looks like it does in a book. My guides consult and follow your guides, asking at each organ, each chakra, each issue in your life, what is it that your body and Soul choose? What is your next step? And in this process, allowing whatever no longer serves your Soul's journey to be released.

A recording is made of the session. When you listen to the recording your guides and the healing angels will return to continue to help your personal inner understanding and release continue. Sessions are last about an hour. Please be in touch with me to secure an appointment time. [office@healingchants.com](mailto:office@healingchants.com) or 734-330-3997. **Safe Space**  
A song to help you remember

Listen or Watch Video

**Chaos is merely the presence of noise within an otherwise quiet and tranquil landscape.**

**You can hear the noise, and know that it only exists as splatters of paint upon the larger canvas of Life.**

**Feeling safe comes from a restful Heart**

**SAVE THE DATE!** Please join me for a Healing Meditation Concert of Sacred Songs and Healing Chants which will take place on the Full Moon, Sunday December 15 at 4pm ET / 1pm PT. It is going to be in-person at the Interfaith Center for Spiritual Growth in Ann Arbor and streamed online via zoom and the Healing Chants Facebook Page.

A Series of Healing Meditations Tuning Your Body to your New Path and New Goals

Feeling stuck, or heavy or unable to follow through with your plans? You may be tied to parts of a past reality. Here is a meditation to help you step into the new reality that our world, and your Soul is choosing for you now.

New beliefs, habits, and behaviors that we started in this last year or even within the last few months may not serve us anymore. The way we were creating reality, as well as the path and the goals of that reality, have changed. New options are available and for most of us, our Souls have decided that we want to investigate and pursue those new options.

Even the guides and angels that were helping us achieve those old goals can now release, allowing our intuition to open more fully to the guides and angels that reflect our new reality and are meant to help us right now.

Includes two new songs for deepening your Soul's connection to your body.  
- Safe Space for Healing (release old patterns, beliefs)  
- Resting Heart

How to Stop someone's energy from influencing you  
How Psychic Energy from others Clogs your Intuition  
Why and How Narcissists and their Reality Collapses

**Compassionate Transformation**  
Releasing what Wounds and Loving what Remains

**GASLIGHTING**  
How it works  
How to identify it  
How to intuitively 'see' beyond it

**GASLIGHTING as PSYCHIC MANIPULATION**

We each have the ability to see psychically what others want us to see, and then we have the ability to **remove** whatever it is that they want us to see, and see with our own intuition. This lets us see our own truth about what our Soul wants us to see, know and do in life.

When we are not able to remove the psychic images, emotions and beliefs that another wants us to see, our own intuition is blocked by their energetic will. (gaslighting)

Your Psychic Intuitive Compass has 3 Locations in Your Body. Let's Clear Them!

**Insights from Archangel Michael and Mary**

- Why (sometimes) we can't heal ourselves
- Are you micro-managing healing energies?
- Our Soul may create pain to direct our choices
- We can release energies from infancy that block us from feeling safe as adults

This meditation will Relax your Body, bring Ease to Personal Expression, and Clear your Thoughts.

- Insights from Archangel Michael and Mary

Our lower chakras are just as energetically and psychically sensitive as our Third Eye (6th chakra) and Heart Chakra. Emotional energies held in our low body are often from infancy or early childhood, and take extra care and patience to understand, transmute and release.

**Four Healing Songs from Spirit**  
Norma's Hathor guide Atamira lays her energies into these songs, improvised in the moment to reflect the energetic context and healing possibilities of those listening.

**A TINY BIO**  
I have always seen auras. As a psychic I 'see' how people connect to their guides, angels, and other people. My healings assist in clearing accumulated cobwebs and awakening the innate creativity and healing potential within each person. I use my intuition, insights from your guides and angels, healing energies and music in this process. I believe that our world is healed as each person heals themselves.

A song to find the stillness within you from which Rebirth arises.

**Rebirthing Yourself from Spirit after trauma**  
a find and insights to the stillness within you

The song in this video, O Rubor Sanguinis, is a medieval healing chant by St Hildegard of Bingen (1098-1179). I sing it in its original language which is Latin. You can find it on my albums [Unfurling Love's Creation](#) and [Songs of Spirit](#)
