Relax or meditate as Norma brings alive the energies of Spirit as songs, improvised in the moment, and medieval chants by Saint Hildegard of Bingen. Here is a time to reflect and ask those inner questions that have no answer, but lead us into a deeper exploration of ourselves. What better time than the last Solstice before Dec 21, 2012?

Norma Gentile is a sound shaman. After earning her Master's in Voice Performance, she returned to her natural ability to see auras, and began incorporating energy awareness into her performances and teaching. Born out of her own experience, she is developing tools to help other healers, singers and actors use their voices, bodies and energy skills with more ease.

**Sound Shamanism Training Weekend is here in Michigan near Ann Arbor this year, July 20-22. Max 14 participants. See website for more information.**

*"She carries us to depths and heights that the soul yearns to explore and where Spirit and soul soar in unison. Hildegard is proud!" ~ Matthew Fox (author, activist, ex-priest)*
