

HEALING GRIDS Room – Sphere - Michael

1. The SQUARE represents the room or theater
2. The SPHERE is made up of the pure energy of Nature, the Nature Spirits and Nature Intelligences of the room, and the Nature Spirits and Nature Intelligences of the land beneath the room
3. The NORTH and SOUTH POLES of the sphere may, if you chose, be tuned to the overlighting deva of the space, the principle angle of the event, or your archangel.
4. The TRIANGLES represent Archangel Michael's energy moving downward into the Nature Spirits and Nature Intelligences of the land beneath, and past that into the pure energy of Nature, then upward into the sun and central sun.
5. The VERTICAL LINE represents the tube that Michael's energy creates, extending from Nature to Central Sun, which allows all energies, dark and light, to move homeward.
6. The room itself will fill with the MerKaBa field from Michael.
